Industrial Training - JSpiders 2021
Java Full Stack

HOBBIES

Chess
I love to play chess and have won notable prizes including Gold and Silver medals.

Potry
I love to scribble my thoughts out most often. Literature is something which always captivated me, apart from coding.

Poker
I like to challenge my reflexes, decision making and calculations a lot while trying to read out the person sitting in front. pushing the rank and having interactive gaming sessions excites me the most.

WORK EXPERIENCE

MentorYard, AttainU
Freelancer
July'22 - Mar'23
- Made a mentee mentorship platform for school students to connect with the industry professionals to shape their career using NodeJs and Javascript.
- Created an Ed-Tech platform to connect multiple small scale schools and manage their students using NodeJs

FlipTree
Feb'22 - June'22
Server Developer
- Effectively coded software changes and alterations based on specific design specifications using NodeJs.
